September 2020 (Next update: January 2021)

One of the benefits of membership is the option to have your personal art-related website listed in this document and available on the CPSA website. While CPSA is pleased to provide this list, it cannot endorse or recommend specific instructors, nor act as an intermediary. To add or update your art-related website for the next update, submit the form on the CPSA website [HERE](#).

The initials CPSA and/or CPX after a name indicates the artist has earned signature status from CPSA. The CPSA designation is for the CPSA International Exhibition, CPX for Explore This! Learn more about signature status [HERE](#).

Looking for an instructor? Members who offer **colored pencil instruction** are noted with an asterisk following their last name. **A separate listing of the instructors by state or country begins on page 18.**

To jump to a name, click on the appropriate letter of the alphabet:
